

## The National Energy Council meets

**Fecha:** 07/10/2021 **Autor:** Minem

The National Energy Council meets, chaired by Ramiro Valdés Menéndez. The call is to save, to the rational use of energy, with the decisive participation of all mass organizations and especially of @CDRdeCuba.

National Energy Council. The consumption plan until October 6 is 99.6% fulfilled, with 995 MWh below the plan. Overrepresented #PinarDelRio #Artemisa #LaHabana #Matanzas #VillaClara #IslaDeLaJuventud

Ramiro Valdés Menéndez in the National Energy Council, insists on the need to carry out self-reading 3 times a day in each institution. This allows to know the consumption and to carry out timely control actions. He reiterates that saving is the main source of income we have.
